# Everything You Need to Know About the New UK Specifications in Geography

## COURSE INFORMATION:

- Covering the new KS3 National Curriculum and the changes it has brought to education; New controlled assessments replacing traditional coursework at KS4; The new 4 unit (as opposed to 6 unit) AS/A2. Oh and don't forget APP, the new approach to KS3 assessment!
- In addition to this critical information, Steve will offer a broad range of new ideas for delivering an engaging and motivating experience in the Geography classroom. Please note that this is an entirely new set of ideas, NOT a repeat of ideas shared in last year's Geography INSET and IS suitable for teachers who attended in 2009.
- All ideas, templates and resources delivered on the day will be given to delegates on a DVD as well as in a comprehensive course book to take away for use in the classroom the very next day.

## COURSE TRAINER

Steve Garnett

Steve Garnett's highly successful teaching career has included specific responsibility for developing Teaching and Learning. He is a very experienced trainer, having supported over 6,000 colleagues in schools across the UK and more recently, Europe and the Middle East. Steve is author of 'Using Brain Power in the Classroom – Five Steps to Accelerate Learning' (described in the TES as 'strong in its resume of what constitutes effective learning'). His training courses are consistently rated as excellent, as delivering value for money and as being highly practical and solution-oriented, saving teachers weeks of time and work every term. Delegate feedback comments regularly feature the words "humorous", "dynamic" and "highly effective."
